## **Dean Bucher**

Mr. Dean Bucher is the Principal Director of Digital Engineering Integration at The Aerospace Corporation, where he leads the digital engineering (DE) transformation of Aerospace. In this role, Mr. Bucher is responsible for providing strategic direction to all corporately funded DE initiatives and ensuring that these efforts are highly integrated to contribute to the broader strategic vision for digital engineering. He also works across numerous, emerging customer DE efforts to better identify opportunities and integrate these for the benefit of the National Security Space (NSS) and Civil Space enterprises. Mr. Bucher joined The Aerospace Corporation in 2005 as a Member of the Technical Staff. He holds a BS in Mechanical Engineering from the University of Missouri and an MS in Aerospace Engineering from the Georgia Institute of Technology, and he is currently pursuing a PhD in Systems Engineering from Colorado State University.
