

Systems Engineering Forum

Virtual Series

FACT SHEET

LOCATION	ZoomGov link provided after registration
WHAT	This event focuses on applying systems engineering practices across the space enterprise, contributing to mission success while fulfilling the digital vision
SPONSOR	The Aerospace Corporation
DESCRIPTION	<p>The Systems Engineering Forum, hosted by The Aerospace Corporation, in collaboration with the Jet Propulsion Laboratory, focuses on applying innovative systems engineering principles—such as Model-Based Systems Engineering (MBSE), Digital Engineering, Enterprise Systems Engineering—across the space enterprise, contributing to mission success while advancing the state of the discipline.</p> <p>Previous SEF Presentations and Recordings are also available in the SEF Archive page: https://sef.aerospace.org/archive/</p>
PARTICIPANTS	Open enrollment
REGISTRATION	<p>No cost registration is now open at The Aerospace Corporation System Engineering Forum website: https://sef.aerospace.org/</p> <p>Please note: Registration closes one hour prior to each start date</p>
CONTACTS	<p>Co-Program Chair: Alexander Chang The Aerospace Corporation</p> <p>Co-Program Chair: Dr. Alejandro Trujillo The Aerospace Corporation</p> <p>Email: sef.mailbox@aero.org Form: https://sef.aerospace.org/contact-us/</p>
